## Report of Principal and School Improvement Council

Westview Middle School, home of the Titans, is an exciting place to be. The 2010-2011 school year was filled with energy, enthusiasm, and achievement as students and staff worked together for success. Our school embarked on a new behavioral program through Positive Behavioral Interventions and Supports (PBIS) with five pillars for success: Teamwork, Individual Responsibility, Tolerance for Others, Academic Success, and Never Ending Respect.

Academics, athletics, extra-curricular activities, mentors, programs and partnerships provided the vehicles for all to be involved and find a special place of belonging. Our School Improvement Council and PTO Board worked tirelessly with the staff to ensure that all students' needs were met. Students and staff were celebrated as grants were awarded, recognitions were received, improvements were made, technology was explored, and inventions were created.

Professional Learning Communities (PLC's) were held on a regular basis as the foundation for instructional decisions. Data was carefully analyzed, plans were adapted, instruction was delivered and students were engaged in the learning. Improvements were evident through the Measures of Academic Progress (MAP) testing events. Parent involvement was encouraged and improvements were seen throughout the year. The addition of the Parent Portal System in early 2011 allowed parents "real time" access to their child's grades, opening the door for further communication with teachers and staff. This communication has served to strengthen the home-school relationships and parent involvement.

Students and staff were involved in a myriad of service learning projects including: The United Way, March of Dimes, Relay for Life, the local food bank, recycling, Lake Greenwood Clean Up Day, Pennies for Peace, and local community needs. Character Development and a sense of community was shared by all and emphasized throughout the year. Students presented a number of special programs, participated in competitions from academics (science, math, cross-categorical academics, Young Authors, State Superintendent's Writing) to the arts (chorus, competition choir, STEP, visual art) to athletics (football, basketball, soccer, volleyball, cheerleading). Clubs were offered before and after school to students.

Westview Middle School has grown as a school family, embracing all students and encouraging all through a commitment to continuous improvement, student achievement, and high expectations for all.
